AWF MEMORANDUM

Attention: State Members
Cc: Board of Directors, High Performance Advisory Committee
From: Michael Keelan
Date: 18 October 2008
Subject: Team official assignments

The qualification period for the 2008 Commonwealth Championships and 2009 New Caledonia World Cup events opened on 1 July, 2008 and closes on 25 October, 2008. The New Zealand versus Australia Junior Tournament opened on 1 July, 2008 and closed on 5 October, 2008.

The officials will be fully funded through the generous support made available from the Australian Commonwealth Games Association and the Australian Sports Commission.

The Australian Weightlifting Federation (AWF) confirms the selection of the following team officials.

2008 Commonwealth Senior Championships

Mr Miles Wydall QLD Coach/Manager

2008 Commonwealth Junior Championships

Mr George Chamoun NSW Coach/ Manager

2008 NZL vs AUS Junior Tournament

Mr Greg Hobl QLD Head Coach
Ms Angela Wydall QLD Assistant coach
Mr Brendan Kennedy WA Assistant Coach

2009 New Caledonia World Cup

Mr Jourik Sarkisian VIC Coach/Manager

In regards to the Commonwealth Championships and in accordance with the AWF ratio of team officials to selected athlete policy, should athlete numbers be less than five in total then only one coach will take up their assigned position. That one coach will be determined by the team composition i.e. should only one senior lifter and two junior lifters qualify then the assigned coach would be Mr George Chamoun. On the other hand if only one junior and two senior lifters qualify then the assigned coach would be Mr Miles Wydall.
