

## RECREATION SPECIALIST

*GEO Builds Better Lives*

- Are you qualified to conduct fitness training?
- Are you team oriented with a 'can do' attitude?

The key objective for this role is to implement a program where prisoners are provided with access to structured recreational activities and facilities to promote the positive use of their leisure time.

The Recreation Specialist provides coverage on a seven day roster, and is responsible for:

- arranging recreational activities including scheduling
- equipment coordination for the gymnasium and oval areas
- and arranging all other alternative recreational programs

The successful candidate will possess formal qualifications in health & fitness.

If you or someone you know is interested in this position, please submit a resume and covering letter via email, fax or post to Teresa McCarthy, Human Resources Officer by COB Monday 4<sup>th</sup> January 2010.
